Dear Healthy lifestyle consumer,

Maybe you haven't heard yet about how alkaline, ionized water is being proven as a powerful and natural antioxidant and an excellent way to boost your health... but we would like to take a moment of your time to introduce you to the revolutionary and rejuvenating water purifier.

The JP104 by Jupiter Melody is a new and amazing infrared filter system that provides maximum purity, energization and filtration ability. Jupiter Melody has created the first water ionizer in the world that has Bio Stone. The Bio Stone generates negative-ions as soon as it makes contact with water which in turn activates the water to assist in support and increase our metabolism, and blood circulation, as well as aiding our body to fight and remain healthy from skin diseases.

Did you know... *Ionized Water* is six times more hydrating than conventional tap or bottled water?

60% of our body is made up of water. Isn't it time we take a look at what we are drinking? Think about this, oxygen reduction potential (ORP) is a common factor in our world today. Our oxygen levels are constantly depleted due to stress, pollution, diet and lack of exercise, and also, a high positive ORP found in most bottled and city water creates oxidation and accelerates the aging process. So why do we constantly put into our body water that is potentially harmful when we know that oxygen helps to destroy cancer cells, removes waste, carries nutrients out of our body and also helps in fighting bacteria and viruses? Ionized water also enhances the taste and quality food, helps us lose weight and is also great for dry skin. Simply put, when you drink ionized water, your body is renewed by this natural anti-oxidant at a cellular level.

But don't take our word for it! Robert Young PHD., author of *PH Miracle for Weight Loss* and widely recognized as one of the top researchers in the world, has studied and has seen first hand the amazing and multiple benefits of the Jupiter Melody. With a firm endorsement for the Jupiter Melody ionizer, Dr. Young's book walks you thru the benefits and reasoning behind the Jupiter Melody ionizer system and why it is becoming a product to help you win the most prized possession of health.

Ionized water can help you achieve better health!
